1. Since the house covered by File No. 8 was built from Project funds and is being used mainly for operational purposes, it should be reported as a leased operational property rather than as quarters leased under [] Headquarters' records have been corrected to show Use of Property as Operational instead of Administrative. Station records should be changed accordingly.

2. Headquarters' records contain an unnumbered Foreign Real Property Report covering a house leased 15 December 1953 as quarters for [] on which the lease was renewed 10 December 1954 and for which there is no record of termination. The Station is requested to confirm that the lease on this house has been terminated so that the property may be dropped from Headquarters' records.

3. There is enclosed herewith 50 copies of Form No. 360 for the Station's assistance in forwarding future Foreign Real Property Reports.
